

INT. LIBRARY - DAY

SARAH sits at a table reading a book. RYAN browses the shelves behind her.

RYAN

Do you know where to find the Ranger's
Apprentice books?

SARAH

Fiction books are alphabetized by author.

RYAN briefly disappears behind a library shelf, then comes back out.

RYAN

I forgot who wrote it though.

SARAH

The author is John Flanagan! You need to
look in the Fs...

SARAH closes her book and points at a set of shelves.

They're over that way!

RYAN follows her pointing finger and arrives at the correct set of shelving.

RYAN

Oh yeah! Here they are!
