

Crash Course U.S. Government - Day 13

1. Order the steps for creating a law 1-8.

- _____ A Congressman or Senator introduces a bill.
- _____ The bill moves to the other house (Senate or House of Representatives).
- _____ The bill is written in formal language and voted on by the committee.
- _____ Someone has an idea for a new law.
- _____ The bill moves to the floor of the main House or Senate for consideration and voting.
- _____ The bill is referred to a committee.
- _____ The bill is voted on in the other house (Senate or House of Representatives) and passes.
- _____ The bill is sent to the President, who signs it into law.

2. What happens if changes are made to a bill in the second house it is voted on?

3. What is a pocket veto? How is it different from a regular veto?
