

# Crash Course U.S. Government - Day 4

---

## Word Bank

Congress  
proportional

equal  
representatives

House of Representatives  
Senate

legislative  
senators

1. Use the word bank to complete the sentences below.

The \_\_\_\_\_ branch of the United States government is made of two parts.

The \_\_\_\_\_, or lower house, has 435 members. Each state has a different number of \_\_\_\_\_ based on how many people live there. This is called \_\_\_\_\_ representation.

The \_\_\_\_\_, or upper house, has only 100 members. Each state has 2 \_\_\_\_\_, no matter how many people live there. This is called \_\_\_\_\_ representation. Together, these two houses form the United States \_\_\_\_\_.

2. List the 4 main duties of a U.S. congressman mentioned in today's video.

---

---

---

---

3. The term of a Representative is \_\_\_\_\_ years long.

4. The term of a Senator is \_\_\_\_\_ years long.
