

Crash Course U.S. Government - Day 20

1. To **delegate** means to entrust a responsibility to another person. **Congressional delegation** is when Congress uses legislation to delegate, or give, more powers to the _____ branch.

2. What are the three types of reasons Congress might choose to delegate power?

3. How did the New Deal expand the power of the executive branch?

4. What would congress have to do to remove power it has delegated from the executive branch?
