

# Crash Course U.S. Government - Day 23

---

1. What is a big advantage that might cause a President to issue an executive order instead of passing a law?

---

---

2. What are three ways that an executive order might be halted or counteracted?

---

---

---

---

---

3. What is an example given in the video of a positive use of an executive order?

---

---

4. What is an example given in the video of a negative executive order?

---

---

5. Which president issued no executive orders?

---
