

Uses for Sheep

Cut out the book as one piece. Fold the left side under. Fold the right side under.
Unfold the book. Cut the solid line to form two flaps.

Write about how much meat and wool is produced in the United States under each flap.

About 138 million pounds of lamb and mutton were produced in the United States in 2021. The US produced between 10 12 million pounds of clean wool in the 2019-2020 season.
