

# Fun Facts about Sheep

There are more than  
1,000 different  
breeds of sheep.

Some sheep have no  
horns, while other  
breeds may have two,  
four, or even six.

Sheep  
Facts

Cut out the seven rectangles. Stack them together, smallest to largest, and staple them together with the cover on top.

Sheep have rectangular pupils, and can see nearly 360 degrees around themselves.

Sometimes sheep can get stuck on their back and not be able to get back up. These are called "cast sheep."

Presidents George Washington, Thomas Jefferson, and James Madison all raised sheep.

1 pound of wool can make 10 miles of yarn.
