

# Building with Purpose – Ancient Egypt Worksheet

---

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Part 1: Why Do We Build? (5 points)

Buildings serve many purposes. Think about the buildings around you – homes, schools, stores, churches, monuments, and more. List as many reasons as you can why people build structures.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

## Part 2: What Did the Egyptians Build? (5 points)

Now think about ancient Egypt. Based on what you know or what you learned today, list different types of buildings or structures the Egyptians created and what purpose they served.

Egyptian Structure

Purpose

Examples: Pyramid, Temple, House, Obelisk, Fortress

### Part 3: Think About It (5 points)

Why do you think the ancient Egyptians used stone for their temples and tombs but used mudbrick for their houses?
